Discount Dental and Vision Plans Available for Students

The Lewer Agency, Inc and Careington International Corporation will offer dental and vision plans.

KANSAS CITY, MO – (October 19, 2006) – **The Lewer Agency, Inc.**, a leading provider of medical insurance benefits for international students, has announced that it has joined forces with **Careington International Corporation**, an industry leader in discount dental and vision care programs, to offer their plans directly to international and domestic students through the agency’s LewerMark website.

Students will be able to access information about the plans at www.lewermark.com, purchase coverage and search for the dental and eye care providers nearest them.

Students can also call the agency directly – 1 800 821-7715, Ext 148 – to ask questions about enrollment or purchase a plan.

“This is a one-stop opportunity for international and domestic students to individually purchase these popular discount plans to help with dental and vision expenses,” said Jeff Crawford, director, student insurance at the Lewer Agency. “In many cases, discounts of up to 60% can be earned on a wide variety of dental procedures and optical products.”

“Careington is one of the most recognized professional medical care networks in the nation,” Crawford added. “They have over 31,000 dentists and more than 40,000 private practitioners and optical retailers nationwide in their network. We’re happy to add them as a partner to serve our student insureds.”
